ATTACHMENT C

AFFIDAVIT of  
Special Agent Brian Snedeker  
Drug Enforcement Administration  
Bristol, Virginia

1. I, Special Agent Brian Snedeker, being duly sworn hereby depose and say:
2. The purpose of this application and affidavit is to secure a search warrant for the premises known as 622 ½ Dalton Street, Marion, VA. This affiant, after obtaining and reviewing information, believes there is evidence of distribution of methamphetamine and/or conspiracy to distribute methamphetamine at 622 ½ Dalton Street, Marion, VA in violation of 21 USC 841(a)(1) and 846/841(a)(1).
3. I am a Special Agent with the Drug Enforcement Administration (DEA) and have been so employed for approximately (28) years. During my employment I have received comprehensive classroom training from the Drug Enforcement Administration in specialized narcotic investigative matters including but not limited to drug interdiction, drug detection, money laundering techniques and schemes, smuggling, and the investigation of individuals and organizations involving the smuggling, cultivation, manufacturing, and illicit trafficking of controlled substances and controlled substance precursors. I have participated in the investigations and subsequent arrests of hundreds of individuals involved with the trafficking of methamphetamine (a Schedule II Controlled Substance). I have also executed hundreds of search warrants related to the trafficking and manufacturing of methamphetamine.
4. The facts set forth in this affidavit are known to me as a result of information provided to me by other law enforcement officers.
5. During February 2020, law enforcement utilized a confidential source or sources to performed multiple controlled purchases (surveilled, monitored, and recorded by law enforcement) of methamphetamine from Jason Blankenship on the premises of his residence located at 622 ½ Dalton Street, Marion, VA. The last of the aforementioned controlled purchases occurred within the last week.
6. A review of Jason Blankenship's criminal history revealed his October 2019 arrest for Possession of a Schedule II Controlled Substance (with an offense date of 09-30-2018). Blankenship is currently under supervised probation as a result of his being placed on First Offender/Deferred Disposition status.
7. This affiant is aware based on his training, experience, and conversations with other law enforcement officers that individuals who distribute and/or conspire to distribute methamphetamine typically maintain methamphetamine, methamphetamine distribution paraphernalia (small, plastic, Ziploc-type baggies, digital scales, etc.), notes, records, messages, and telephone numbers (pertaining to methamphetamine trafficking related contacts/co-conspirators/customers), and other items as listed and explained on Attachment B (of the Application and Affidavit for Search Warrant to

which this affidavit is attached) on their persons, inside their residences (and the residences/distribution locations they utilize for narcotics trafficking purposes) and related garages, outbuildings/barns, campers, vehicles (or the vehicles they operate), and inside of vehicles registered to other persons when those vehicles are parked at or in the immediate vicinity of the trafficker's/conspirator's residence/property/distribution location.

8. This affiant is aware based on his training, experience, and conversations with other law enforcement officers that persons who distribute and/or conspire to distribute methamphetamine routinely have individuals who are customers and/or co-conspirators present at their residences (and the residences/distribution locations they utilize for narcotics trafficking purposes) and related, garages, outbuildings/barns, and campers. These customers/co-conspirators are typically drug users and drug traffickers themselves as they generally sell some (if not all) of the methamphetamine they purchase in order to make a profit, pay for their own drug habits, or both. These customers/co-conspirators often illegally possess methamphetamine and drug use paraphernalia along with notes, records, messages, and telephone numbers (pertaining to the acquisition/distribution of methamphetamine), and other items as listed and explained on Attachment B (of the Application and Affidavit for Search Warrant to which this affidavit is attached) on their persons and in their vehicles (or the vehicles they operate) which are oftentimes parked at or in the immediate vicinity of their sources'/co-conspirators' residences/properties/distribution locations.
9. This affiant, on multiple occasions during the last several years, has had methamphetamine distributors and/or manufacturers destroy/attempt to destroy evidence (methamphetamine and/or mixtures containing methamphetamine) of methamphetamine distribution and/or manufacturing during the execution of federal search warrants. During these incidents, once the methamphetamine trafficker/manufacturer became aware of a law enforcement presence at his/her residence for the purpose of executing a search warrant, the trafficker/manufacturer quickly and easily disposed/attempted to dispose of methamphetamine and/or related mixtures by flushing same down a toilet or rinsing same down a sink inside the residence. In one particular incident during 2019, this affiant had reliable information that a methamphetamine trafficker possessed multiple gallon sized Ziploc-type plastic bags that each contained multiple pounds of methamphetamine. By the time law enforcement officers reached the trafficker's master bathroom during the execution of a federal search warrant at the trafficker's residence, they found methamphetamine residue/crystals scattered about the floor around the toilet and (2) one gallon Ziploc-type bags laying next to the toilet with one bag containing residue and the other containing approximately (1) ounce of methamphetamine. In that particular incident, this affiant believes multiple pounds of methamphetamine were successfully flushed down the toilet by the methamphetamine trafficker before he retreated to another room in the house where he was subsequently apprehended.

Based upon the above, this affiant believes there is reasonable suspicion that knocking and announcing the presence of law enforcement officers at the time of the execution of this search warrant would result in the destruction or attempted destruction of evidence (methamphetamine) by the occupant(s) of the residence.

10. Jason Blankenship's known residence is 622 ½ Dalton Street, Marion VA.
11. Based upon the facts set forth above, I believe there is probable cause for the issuance of a search warrant for the premises known as 622 ½ Dalton St, Marion, VA (located within the Western District of Virginia) as there is probable cause to believe that there is evidence of a violation of 21 USC 841(a)(1) and 846/841(a)(1) at said premises.
